Things to Remember

Monday Night Ride

Every Monday at 6:30, at the Wells Fargo in Rock Hill. Changing to 6:00 On September 7.

Rock Hill Bicycle Club

From the President

Ack! Man, it has been hot. Please be safe out there on the bike. Ride early in the day if you can, drink plenty of fluids, and be aware of how you feel. Heat exhaustion can sneak up on you. It has been a crazy year. But our Monday Night Rides are back and going strong, our Wednesday Crit races are getting good turnouts, and we are in the midst of planning this year's Cotton "Something". So, we are returning to a sort of normal in our cycling. To keep up to date on club events, check back to our website and Facebook page. We try to keep those updated. And I hope to see you all out on the road.

Tim Nissen, President Rock Hill Bicycle Club

24 Hours of Booty Unlooped

This year marks the 19th year of 24 Hours of Booty. For nineteen years, we've come together in the same place for a common cause – to change the course of cancer. One of those Unlooped versions was in the Rock Region. Partnering with the Rock Hill Bicycle Club we brought a version of the ride to our community. Many of you came and offered words of support, cheered, yelled and generally pushed the riders to keep moving. What an Impact we were able to make. At this writing, the 24 Foundation has received over \$763,000 with money still coming in. Here in our Region, we raised over \$17,000 alone to support cancer research, cancer navigation, post treatment support and other related efforts.

Congratulations on being named Home Town Heros by CN2

The Rock hill Bike Club 24 HOB Team will be joining the F3 Team headed by Eric Lockamy, Watts Huckabee's "Roolling with a Cause" and Scott Wentzky's Group

Kit Store

The store closed on July 31. Shipment is expected for the end of August. They really look good!

Criterion Course Derby

Our races are going very well. We have had a strong showing on the previous dates, despite Covid-19. This is a "socially distanced" workout and measures are taken to keep it as safe as possible, six feet between riders when not riding and individual efforts. Come on out and join the fun. **Next Criterion Course Derby is August 5.** More info on our website at
